A Frozen "Creation"

By Frances Lee Barton

"THAT'S not merely a pie, that's a creation" remarked a delighted guest one day. And such praise is manna to the soul of a hostess.

Here's a frozen "creation" for women who find it difficult to serve guests as they did when the horn of plenty hung over each dining room table:

Pudding Ice Cream Dessert

1 teaspoon granulated gelatin; ¼ cup milk; 1 package prepared butterscotch pudding; ⅓ cup sugar; 1¼ cups milk; 1½ cups light cream.

Soak gelatin in ¼ cup milk. Place pudding powder in saucepan. Add sugar and 1⅓ cups milk gradually, stirring constantly. Cook and stir over medium flame until mixture comes to a boil and is thickened. Remove from fire. Add gelatin-milk mixture and stir. Add cream and mix thoroughly. Place in freezing tray of automatic refrigerator, setting control for coldest freezing temperature. When partially frozen, remove to bowl and beat with rotary egg beater. Return to freezing tray and freeze 30 minutes longer; stir. Then freeze until firm. Freezing time: 3 to 4 hours. Makes ¾ quart.

Note: Gelatin may be omitted, if desired.

GOING PLACES!

A survey just completed by the State Population commission reveals some interesting facts: California is probably now the third largest state in the nation—only Pennsylvania and New York have a definite edge; a million people are estimated to have come to California since the 1940 census was taken; and a population of ten million seems inevitable by 1950.

A little over 40 years ago—in 1900 to be exact—our State ranked twenty-first. At that time we "boasted" a total of 1,485,000. Today we have close to eight million. Quite a change!

This swelling population, along with the increased production demands of war, have resulted in tremendous expansion of our industrial, financial and agricultural facilities. Our war plants now lead the nation in ships, planes and other material turned out; our $3 billion statewide branch banking system has risen from fourth to third among the great financial houses of America; our farmers supply approximately 10 per cent of the total food of the nation.

The Population commission tells us that we must be prepared for even greater migration to California after the war. It also points out the possibility that by 1960 we may be even larger than New York state. One thing is certain: California is really going places!

END OF COFFEE RATIONING

The OPA in Washington has looked into its crystal ball and predicted that coffee rationing will end some time in August.

For the man who depended upon one cup of coffee in the morning to open his eyes and another to wash down his breakfast, the end of coffee rationing will mean that he will be able to face the facts of life with both eyes open.

This may have a far-reaching effect on the domestic war front, for we firmly believe that much of the bickering among civilian brass hats in Washington can be traced to the fact that they probably have started the day with one cup of coffee—and consequently with but one eye open. Things were bound to look fuzzy to them.

The end of coffee rationing also will come as a boon to dinner table strategists. It's difficult enough to solve a major personal problem over one cup of coffee. As for a global war—well, what could you do over just one cup?

But there is one thing to remember when you sweep your coffee stretchers and similar ersatz impedimenta into the waste bin. Give a cheer for our air force and navy whose work against enemy submarines has made increased coffee shipments possible.

Suppose it happened to your town as it does to the town in RKO Radio's hard-hitting new drama, "This Land Is Mine," now playing at the Daly City theatre. If you were girls, like Nancy Gates and Maureen O'Hara, above, you'd have to back up your sweethearts and brothers in their desperate battle against the Nazi invader, like the one Kent Smith fights. "This Land Is Mine," starring Charles Laughton and Miss O'Hara, is a story of Occupied Europe today and is of great patriotic significance.

Urge Revival Of "Safety First" Campaign Now

Revival of the old-time slogan, "Safety First," and overhauling of safety measures taught in the '20s to meet present wartime traffic conditions and the alarming increase of accidents, were urged yesterday by the California State Automobile association in an appeal to the public to exercise self-protection against traffic perils.

The appeal followed President Roosevelt's call on the nation last week to pay greater heed to "the ground rules for safety." Recent reports to the automobile association on comparative statistics of war dead and traffic dead through the month of June, 1943, follow:

U. S. war dead since Pearl Harbor 15,123
U. S. traffic dead in same period 40,000

The report indicated that the 1943 traffic death toll will approximate 24,000; a 40 per cent reduction over 1941, but only 15 per cent less than the 1942 total of 28,000. This despite a 25 per cent reduction in travel from 1942 to 1943.

Accordingly, the automobile association suggested that the old principles of "Safety First" campaigns, waged in the early days of motoring and which greatly reduced traffic accidents at that time, should be dusted off, streamlined to meet present wartime needs, and applied to re-education on traffic hazards and safety measures.

Traffic accident increases, the association contends, are attributable to the American public being forced to act, more and more, as its own traffic officer as police departments are reduced by wartime demands of the armed forces.

It is also pointed out that the pedestrian—fast becoming the No. 1 wartime traffic victim—"has been lulled into a false sense of security of traffic's potential dangers and today, more than ever, needs a thorough re-education in self-protection."

Buy Today on the Lay-A-Way

HERE'S HOW IT WORKS:

1. First, be sure you really need to buy. Next, put aside your regular allotment for War Bonds. Then come in and select the wardrobe or linen closet items that are on your "must-have" list.

2. Make an initial payment of 10 per cent on everything you select. Budget your remaining payments in convenient weekly or monthly "installments." You'll have no bills to pay when Fall rolls around.

3. Every item you select now is one less to buy next winter. "Scare buying" now is unnecessary and unpatriotic. But looking ahead, keeping your budget well balanced, is keeping your financial footing—doing something real for your country.

SAFEWAY Homemakers' Guide

Make summertime meals hearty!

One thing is certain: We can't "keep going" at our best speed unless we keep our summertime meals hearty and really nutritious. Easiest way to do this is to include at least one hot dish with all three meals of the day. And they don't have to be the kind that require hours and hours in preparation. Here are some suggestions for "quickie" hot dishes that will satisfy robust appetites.

TOAD-IN-A-HOLE—Form leftover, mashed potatoes into balls about 2 inches in diameter and press hole in the center. Partially fill hole with cooked, chopped meat, and add left-over gravy to fill hole to top. Place under broiler, and broil until potatoes are golden brown and gravy starts bubbling. Serve piping hot. Leftovers in grand disguise.

LIVER AND TOMATOES—Simmer 3 cups chopped, fresh tomatoes, ¾ tsp. salt, ⅛ tsp. pepper, and 1 large chopped onion for about 5 minutes. Cut liver into 1-inch squares, and brown quickly. Add to sauce and simmer for a couple of minutes longer. Serve over noodles.

CABBAGE ROLLS—Prepare corn meal mush by adding ½ cup corn meal to 2 cups rapidly boiling, salted water. Cook about 20 minutes. Then add 2 cups chopped, cooked meat, carrots and peas, or any other kind of vegetables you have. Add a beaten egg if desired. Season with salt and pepper. Roll mixture up in individual cabbage leaves and tie or secure with toothpicks. Place in a flat pan, add just enough water to create a steam, and steam for about 15 minutes or until cabbage leaves are tender. Serve with a big salad. This offering is almost a complete meal in itself.

BARBECUED KABOBS — Cut beef, lamb or veal into 1-inch squares and string on skewers, alternating meat with sliced onion. Let kabobs stand in a mixture of vinegar, paprika, salt, pepper, and garlic for about an hour. Then broil or pan broil until sizzling on all sides. Heat vinegar mixture and serve over kabobs. Broiled corn on the cob can occupy the same oven and share the spotlight on the menu.

STUFFED STEAK—Have steak cut very thin. Spread steak with a thick layer of seasoned breadcrumb stuffing. Roll up steak, jelly-roll style and tie or skewer. Brown steak roll in hot shortening, then add just enough water to create a steam and cover and steam for about 25 minutes, or until steak is tender. Make gravy from drippings. It makes a little steak really go around.

GOOD EATING RECIPES — That's what you'll find in Julia Lee Wright's article in Family Circle Magazine this week. Be sure to get your copy at your Safeway Store, and try these recipes that are appearing by request.

OUR CAUSE

YOU can help ve disastrous fore

CARELESSNESS starts more than 200,000 forest fires in the United States every year.

Carelessness destroys millions upon millions of feet of timber, now a critical war material. It cripples watersheds that supply hydro-electric power to war industries. And the fighting of forest fires diverts precious labor from factories and farms.

Many persons who start these fires toss away matches and cigarettes that aren't dead out. Many others burn to clear plow land or logging slash or grass or debris and—the fires they started break away into searing, roaring flames that destroy timber, forage, wildlife, and beauty that may never be replaced.

Each of these persons forgot—for a moment. And each thoughtless act was as destructive as if it had been the act of a saboteur.

REMEMBER THESE RULES:

Crush out your smoke

Drown your campfire— then bury it

Break your burned match

IF YOU BURN SLASH
First—get a permit
Last—kill every spark

MILO'S MARKET DE LUXE

6315 MISSION ST.

HERE'S TOP VALUE for Your Ration Points!

GROCERY DEPARTMENT

Take advantage, here, of really big-store buying, with full selection of the finest quality brands on the national markets. In exchange for your ration stamps, and for your budget dollars, get the foods you see nationally advertised by reliable processors.

We feature quality names in staple and fancy grocery items, for we've found them to be the most reliable, from the standpoint of both ourselves and our customers. With our exceptionally low prices, and our unusually large selection, it's a combination hard to beat.

Get full return for your family's food ration stamp allotment at this big modern market at the "top of the hill" in Daly City. Grocery, meat, fruit and vegetable, and fish and poultry departments each feature complete stocks and strongly competitive prices, and all are combined in one big shopping center, for your convenience.

At MILO'S you save --- money, points, time and worry. It's THE place that fits your food buying needs.

MEAT DEPARTMENT

In view of market conditions, we're proud of the way we've been able to protect our customers in the months of the meat shortage. It's taken all the knowledge we've gained in years of market operation but we still claim to be your BEST source of this important food.

Our tremendous volume has helped in holding complete selection of kinds and cuts of choice fresh and cured meats. And that volume was built, and is being held, on three points — quality, service, and price.

YOU CAN REALLY CUT SHOPPING WORRIES IF YOU ---

For the finest quality and most complete selection of fresh fruits and vegetables, visit our racks in the center of this big market. They are loaded down with the best from growers' markets, brought garden fresh each day.

Help your family's health, and the war effort, by serving these foods fresh; conserve canned and processed goods for shipment to our armed forces. For daily menus, or home canning, you'll do better here.

Fresh fish and poultry are not rationed. Serve them often and your family will enjoy them, while you save ration points for other foods. You'll find a wide selection in our big department at MILO'S.

BEST FOOD For QUICK ENERGY

BEST FOR THE ARMED FORCES

BEST FOR YOUR FAMILY

Meat, with its elements of proteins, B vitamins and minerals, is needed in the balanced diet for servicemen and civilians alike. That's a big reason why today's demands, together with present market conditions, have brought on our rationing program.

We know it's discouraging to try to buy sufficient meat for your family, today. But it is important that the nation's health be maintained so the total war effort may not be hampered.

We dealers have had troubles increased many times over, too. And not the least of these is caused by the genuine interest we take in trying to protect our customers in every way possible. There's nothing we leave undone which may aid in solving your meat-buying problems.
